

Checking, Savings, and Money Market Accounts – Consumer/Personal

This disclosure describes some of the terms of your account as of May 17, 2010. 1st Security Bank of Washington may amend rates and fees contained in this disclosure from time to time. Please visit our website at www.fsbwa.com if you have any questions or require current rate information. All information listed may not pertain to your account. The Account Agreement contains other disclosures and terms applicable to your account, which is incorporated herein by reference.

Rate Information. Rates are subject to change daily. We declare interest daily based on current income and available earnings after required transfers to reserves at the end of the interest period. The Annual Percentage Yield and interest rate stated above reflect the earnings 1st Security Bank of Washington anticipates having available for the applicable period.

Variable Rate Information. The Annual Percentage Yield and interest rate on tiered rate accounts will change based on the account balance, as indicated by the tiers above. If the balance increases or decreases into a different tier, the new yield and rate will take effect the date the balance changes.

Compounding and Crediting. Interest compounded and credited monthly. We use a daily balance method to calculate interest on your account. This method applies a daily periodic rate to the balance in the account each day. Interest begins to accrue on all deposit items (e.g., checks) on the day of deposit. The interest period is from the first calendar day to the last calendar day of each month. Accounts closed between the first calendar day and last calendar day of a month will forfeit any interest earned during that partial calendar month.

Minimum Balance Required. If the minimum daily balance requirement is shown, you will earn interest only for those days in the month when your daily balance meets the minimum requirements. Accounts subject to a monthly maintenance fee require the minimum balance be maintained each day of the month to avoid the monthly maintenance fee.

Account Limitations. No more than any combination of six checks or debit card or pre-authorized, automatic or telephone transfers may be made from your savings or money market account to another 1SB deposit account of yours or to a third party in any month. We reserve the right to require customers to give notice in writing of any intended withdrawals from any interest bearing account of not less than 7 days and up to 60 days before such withdrawal.

Fees and Charges. Fees may reduce the earnings on your account. See the current Schedule of Fees and Charges - Consumer/Personal Accounts for all fees that apply to your account.

Additional eBanking Express Checking Requirements. Direct deposit, online banking, online statements, and bill pay enrollment and use required. Active Bill Pay must be used a minimum of twice per statement cycle. Minimum Daily Balance requirements reflect sum total of all relationships (loan and deposit) with 1st Security Bank, **does not include any VISA products or HELOC's with 1st Security Bank.** For example an eBanking Express Checking balance of \$1,500, a Personal Line of Credit current balance (not credit limit or original loan amount) of \$800, and a Preferred Savings balance of \$200 would meet the \$2,500 minimum balance requirement for the eBanking Express Checking to earn the APY stated for the \$2,500 - \$4,999.99 tier.

Additional eBanking High Yield Money Market Requirement. To open this product, the customer must have an active eBanking Express Checking Account product. If the eBanking Express Checking account is not active, then a monthly maintenance service charge will be assessed.
