

August 2026

Dear Valued Customer,

Thank you for your partnership and the confidence you have placed in us over the years. The relationships we've built with our business clients have always been the foundation of our success, and we are grateful for the opportunity to continue supporting your business as we grow with 1st Security Bank.

Supporting local businesses has always been central to our mission. Together, we have helped businesses grow, created opportunities in our communities, and supported organizations that strengthen the places where we live and work. We are grateful for the role your company has played in that shared success. Our commitment to providing responsive, relationship-based service and supporting local businesses remains unchanged.

As previously announced, we have received approval to join with 1st Security Bank. This partnership reflects our shared commitment to exceptional client service, local decision-making, and strong community relationships. Together, we will build on the trust we've earned while expanding the ways we can help your business grow and succeed.

By bringing together the strengths of our two organizations, 1st Security Bank will provide expanded capabilities, enhanced technology, greater resources, and additional expertise to support your business as it evolves. Just as importantly, these new capabilities will complement, not replace, the responsive service, trusted guidance, and local expertise you've come to rely on from the bankers who know your business.
