Dear Valued Customer,

Thank you for your trust and partnership over the years. The relationships we've built with our clients have always been the foundation of our success, and we are grateful for the opportunity to continue serving you as we grow with 1st Security Bank.

As previously announced, we have received approval to join with 1st Security Bank. This is an exciting step forward for our organization and reflects a shared commitment to personalized service, strong relationships, and meaningful community involvement.

With your help, we have strengthened local communities, supported organizations making a difference, and created opportunities for the people and places we call home. We are grateful for the role you have played in that shared success. As we join 1st Security Bank, our commitment to serving you with the same personal attention, trusted guidance, and community focus remains as strong as ever.

By bringing together the strengths of our two organizations, 1st Security Bank will provide additional products and services, enhanced technology, and resources to better meet your evolving financial needs. These added capabilities will complement, not replace, the relationship-focused approach and local service you've come to expect. You'll continue to receive the personal attention and responsive support that have always been at the heart of your banking experience.

We are excited about what this next chapter makes possible and grateful for the trust you have placed in us. Thank you for allowing us to be part of your financial journey. We look forward to strengthening our relationship and serving you for many years to come.
